Patient Communication

Capital Women's Care physicians are dedicated to helping our patients live healthy lifestyles. Your physician would like the opportunity to communicate with you via Patient Portal, Email, and Telephone about preventive health services - such as well woman exams or other health promotion information. Also, there may be other messages we would like to send to our patients, such as the announcement of new physicians or contract changes with insurance companies.

Patient Portal: The portal is the preferred communication method for all adults 18 years or older. This method requires an active email address and enrollment in the portal. Currently Patient Portal is not offered to minors.

Email: Capital Women's Care makes this commitment to our patients about the collection of e-mail information. They will be for Capital Women's Care use only and never given or sold to any other entity. Email communications for CWC are one way only. The Patient's Privacy will be protected. The email address will not be used to communicate any personal health information (PHI) or in any manner inconsistent with the Health Insurance Portability and Accountability Act (HIPAA).

Telephone: As a service to our clients, we provide a courtesy appointment reminder communication and possibly other important communications that may be placed using a prerecorded message. By providing your cell phone number, you consent to receiving such communications at this number. Communications may be by phone or text message. Patients can opt out of these communications at any time.

Our e-mailing to our patients will be one way communications and, therefore, will not allow conversations between the patient and physician/staff. If you desire two-way communication, please utilize our Patient Portal.

All health related questions should continue to be addressed to the appropriate Capital Women's Care staff. If you have additional questions on our privacy policy as it relates to electronic communication, please contact Kathy Heinz, CWC Compliance Officer, at privacy@cwcare.net or (301)340-8339 ext. 201.
